Step 1

- Go to www.mb8coin.io (If you are unable to click the link provided left, then please copy and paste this link into your URL bar as shown in red below)

Step 2

- Click the **Log-in / My Account** tab highlighted in the picture below

- Scroll down the page and log in to your Account Dashboard using your email and password (as shown highlighted in red). If you have forgotten your password, please use the forgot password button (as shown highlighted in green)

Login

A screenshot of the login form. It features two input fields: 'Username or email address' and 'Password'. Both fields are enclosed in a red rectangular box. Below the password field is a 'Log in' button and a 'Lost your password?' link, which is highlighted with a green rectangular box.

Step 3

- Scroll down the page and click MB8 Coin Live Wallet Tab (as shown below)
 - Here you can see your balance
 - Send Tab (withdraw your entire wallet balance to your QT Wallet)

Note: Please ensure the wallet address is correct, sending to an incorrect address will result in the loss of your coins and these cannot be recovered.

Below these, the user's balance is shown as 'Available: 0.00000000 MB8 | Pending: 0.00000000 MB8'. The main section has two tabs: 'Send Funds' (active) and 'Recent Transactions'. A note reads: 'Note: Please ensure you have a valid MB8Coin wallet address, coins cannot be recovered. We will deposit your entire "available" balance to this address.' Below the note is the label 'MB8Coin Wallet Address:' followed by a large text input field containing the placeholder 'Enter your wallet address here'. A 'Send Funds' button is located at the bottom left of the form.

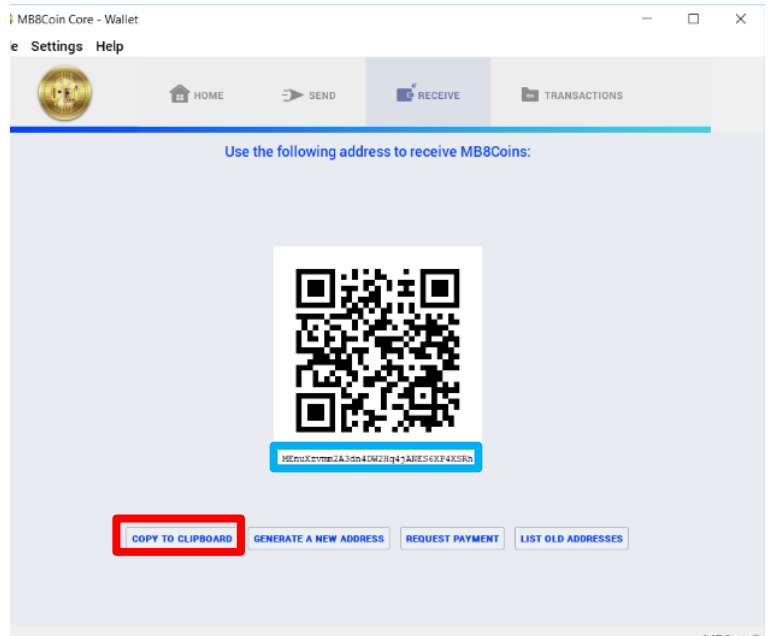

Step 4

- Open your MB8 Coin QT Wallet on your computer. (for further information on how to download and installation guides, please visit mb8coin.io)

Step 5

- Go to the receive tab in the MB8 Coin QT Wallet and click Copy to Clipboard (as highlighted in red)
- You may also manually type the wallet address character by character using the address under the QR Code (as highlighted in blue)

Note: MB8 Coin Wallet Addresses use upper and lowercase characters and numbers, this must match exactly to send a transaction to the correct wallet.

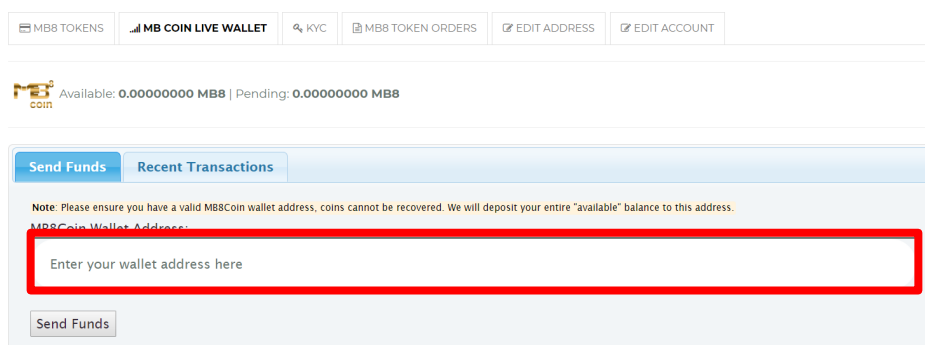

Step 6

- Go back to your MB8 Coin Dashboard (steps 1-4) and copy the wallet address into the send address (highlighted in red below)

Note: You can right click in the box that reads "Enter your wallet address here" and click paste, or click in this box and press Ctrl+V on your keyboard.

You may also manually type the wallet address character by character.

Note: MB8 Coin Wallet Addresses use upper and lowercase characters and numbers, this must match exactly to send a transaction to the correct wallet.

Step 7
